

Universal Provision

Quality First Teaching
Small Group Classroom Interventions
Class Intervention Map

SEND Concern

Children who are not making progress despite QFT and 2 terms of classroom interventions

Teacher to complete SEND Concern form and have initial discussions with parents regarding needs

Teacher to identify key areas of needs through assessment and observation

If concerns raised by parent, support with identification of need, parenting interventions and multi-agency assessments

NB Pupils may be SEND Concern if they have a diagnosis of need or historic support but do not require ongoing interventions

SEND Support

Specifically for pupils who require support which is **additional to or different** from their peers and who require multi-agency support. Parents made aware when added to register.
