

Bake something with your parent and help them weigh out the ingredients.	Set the table for the correct number of people.	Learn a number rhyme.	Order the shoes in your family from shortest to longest.
Draw around and name some coins.	Go on a shape hunt. How many shapes can you find and name?	How many numerals can you spot around the house?	Play a board game with your family that involves counting.
Do a dot-to-dot.	Learn the days of the week.	Make a model or picture with repeating pattern.	Use chalk to draw a hopscotch and ask your family to play it with you.
