

Write your name here

You are not here by accident. The Lord has called you, not only in these days, but from the very beginning of your days.

He called you by name.

Let us listen to the word of God that called us by name. Try to imagine these three words written in large letters. Then consider that they were written within you, on your hearts, as if setting the direction of your lives, the meaning of who you are: you have been

called by name.

Each of us is called by name. You, you and you, all of us here, myself included: all of us have been called by name. Not impersonally, but by name. Think of this:

Jesus called me by name.

His words are inscribed in our hearts, and we come to realize that they are written in the hearts of every one of us, as a kind of title that tells people who we are, who you are.

You have been called by name.
